Vertical Love Transforms Horizontal Relationships
Romans 12:9-21

Talk about where genuine love originates.

1. Is it hard to understand that we can't love one another genuinely if we first don't love Christ genuinely?
2. What are some of the ways you struggle to love genuinely? If you're managing a sin, confess that sin to your small group and watch God do something major in your life.

(Small group leader be prepared to pray and support your brother or sister in Christ)

3. Do you sense that people love one another genuinely at Harvest? Give an example of why.
4. When Pastor Matt was talking about home schooling and ladies working outside the home, how did that resonate with you?

God is doing something at our church. Whether you identify with the things Pastor Matt talked about or not, pray together as a small group for God to protect us from those types of things. If you did identify with those things, pray that God would reveal to you any sin you may be responsible for and confess it to your brother or sister today!
