2. List as many synonyms as you can for the term “saved.” How many of the synonyms appear in the Bible related to salvation.

7. Does the Devil cause us to doubt our salvation? Why is it dangerous to blame every doubt on the Devil?
8. Discuss the following points from the message? How did God do to prepare you like the jailer to bring you to the place where you admitted you needed to be saved?
 1. You are moved by the praise of a real God. (v. 25)

9. It is common to hear someone say they accepted Jesus as savior at one point in their life then accepted him as Lord at some later point when God really changed their lives? Why is it impossible to accept Jesus as savior with accepting him as Lord? Why is it a dangerous error to speak of being saved this way? Have you ever believed this? Have you believed in the LORD Jesus or just the SAVIOR Jesus?
