Each person pick a Psalm that impacts you about having a proper fear of the Lord. Look in the back of your Bible for the word fear and pick Psalm. Memorize this verse and use it to remind you of how Holy and worthy of fear he is.

2. What kinds of things cause you to struggle with having an eternal perspective and why?

3. Share an example of how you got caught in a “trap” or “snare”, and how that limited your ability to be generous with your time or treasure.
