

**1. Get the Gospel**

~How is the Gospel continually shaping your life? Do you feel like you are “getting” the Gospel more and more as you seek to become more like Jesus? How So?

~Tell how the Gospel continually brings you to a place of worship! Do You adore Christ the more you think about the Gospel?

**2. Grow in the Gospel**

~The second tier to Harvest 3W's, is “Walk With Christ.” Essentially, this is where your growth in Christ is grown on an everyday basis. Are you “walking” with Christ? How are you Growing in the Gospel?

~How has your small group helped you grow in the gospel?

**3. Give the Gospel**

~Do you give the Gospel away? Do you find yourself intimidated to share the Gospel with people? Why?

~Our lives should be so overwhelmed by the power of the Gospel after we “get it” and when we are “Growing in it” that we can't help but let others know about it in some way! Does the way you interact with unbelievers (in your workplace, school, family, errands...) reflect a life that has been changed by the Gospel?

~Who do you need to give the Gospel to? Write the name below! Share with your mutual ministry people how you plan to do this, and hold each other accountable. Pray for one another and the people that you write down! Give the Gospel!
