

Big Idea: **Be an Influential Church, Be Salt and Light**

1) Shake your Salt

How does knowing your value in Christ, change the way you think about sharing the gospel or inviting others to church?

What opportunities has God given you to be a change agent at work, school or in your neighborhood?

Who in your life provokes you to have a greater hunger for God by just being around them? Describe what their life is like and how you are different as a result.

Have you been convicted that you have lost your influence for Christ?

-Have you repented?

-What areas of your life is God provoking you to grow in to be a greater influence for Christ?

How are you pursuing God to stay salty? How can your small group come alongside you to stay salty?

2) Shine your Light

How are you provoked to share the gospel by knowing you are the transmitter of the true light of Christ?

How are you helped by knowing the power to save people does not rest on you but rests in the message of the Gospel?

How are you staying plugged into the Christ (the Light of the World)?

-How are you delighting in Christ?

How have you hidden the light of Christ from others you come in contact with?

What are one or two practical ways you can show the way to Christ?

Do you feel "snuffed out"? Do you feel like your current trial or past failures are keeping you from being an influence for Christ?

How are you affected by knowing that you may be the only one who can influence those around you for Christ?
