

GETTING STARTED

YOUR FIRST MEETING CHECKLIST

It's your first One to One Bible Reading Meeting! Here is a checklist that you can go through together to make sure you discuss and plan well for the next few weeks as you open God's Word together. Grab this checklist, your calendars and your Bible and get ready to dive into the One to One Bible Reading Challenge! It will help for both of you to have a copy of this checklist.

- Spend a few minutes either getting to know each other, or if you are already good friends, connect on how your week has gone.
- Confirm what book of the Bible plan to read.
- Schedule out what day of the week you will meet, where you will meet, and how many weeks it will take to read through the book. Schedule every meeting through the end of the book.
- Discuss what you hope to get out of the commitment and why you've chosen this specific book of the Bible
- Decide if you will read and prepare before hand, or discover the book together
- Pray together for open hearts
