

THE WORD

THE PROLOGUE OF JOHN

A STUDY FOR WOMEN • WEDNESDAYS 7 P.

What truths from last week's study on the Word, seen and heard stood out to you?

Have you gone a little extra in celebrating Christmas this year? What has been the motivation (or perhaps lack of) this year?

What restrictions of humanity feel the most constraining to you?

How does Christ emptying Himself, willingly submitting himself to the limitations of humanity, and choosing to dwell among us deepen or expand your worship of him?

If you had to list the 5 most influential people in your life, who would they be? What evidences are there of their presence in your life? (this could be as simple as the way you drink your coffee, your home decor choices or what you read or watch in your free time...)

Do you agree that Christ in you is better than Christ beside you? What does your dwelling look like?

In this last four weeks, what ways has God revealed himself to you through His Word? Have you learned anything new about Him? How has your worship deepened through the Prologue from John?
