

DAILY DISCIPLESHIP GUIDE

“THE GRASS WITHERS, THE FLOWER FADES,
BUT THE WORD OF OUR GOD WILL STAND FOREVER.”

ISAIAH 40:8

THIS READING PLAN IS FOR YOU!

Hey Gospel City, this week we are going to read through Psalm 119. This Psalm is by far the longest chapter in the Bible, and each verse is a celebration of the treasure that is God's word! Throughout the Bible we learn that God's word created and upholds the universe. We learn that God's word is living and active, and that it even has the power to make dead things live. We learn that every single word is authored by the living God, and we are reminded of this over 1,900 times (thus saith the Lord!). We learn that God's word is worth more than gold and silver and all the treasures in the world. We learn that God's word contains all that we need for life and godliness. We learn that those who obey it are blessed, and those who forsake it align themselves with the devil. We learn that the heavens and earth will perish, but the word of our God will stand forever. And we learn that every word of revelation points to the living Word, the perfect revelation of the God who cannot be seen; Jesus Christ has made Him known. Therefore, suffice it to say: the Bible is an incredible gift! And as 21st century Americans we are privileged beyond comprehension. We live in a space and time where we have access to a completed Bible in our own language, we can afford to buy it, we know how to read, we have teachers who actually believe what it says, and we can read it without the fear of being killed or arrested for it! This privilege is virtually unparalleled throughout history. Therefore, Gospel City, behold the gift that is your Bible! We pray that this week will help you see and love and believe and obey and repent and praise with the Psalmist.

THE FORMAT WILL BE A LITTLE BIT DIFFERENT FOR THE NEXT FEW WEEKS:

We are still going to provide a passage to read and a verse to meditate on for each day. But instead of providing a discussion question and a prayer that is specific to each reading, we will provide a general question and structure for prayer that will apply to each passage throughout the week. We hope that the questions we have provided in the past have helped you and your families grow in your ability to read your Bible. And we hope that the prayers have served as a good model for you regarding how to pray through your Bible. But now it is time for you to take the reigns! Think of your own discussion questions and then pray through what you have meditated on. And we are excited to continue to read and meditate and discuss and pray alongside you as we seek our Lord together.
