

DAILY DISCIPLESHIP GUIDE

“THE GRASS WITHERS, THE FLOWER FADES,
BUT THE WORD OF OUR GOD WILL STAND FOREVER.”

ISAIAH 40:8

THIS READING PLAN IS FOR YOU!

Hey Gospel City, this week we are going to study what the cross of Christ accomplished. The theological word for this is “atonement.” To make atonement literally means to repair a wrong or injury. In a biblical context the atonement refers to the reconciliation of God and man through the work of Jesus Christ. Therefore, this week we are going to look at some of the various ways in which the cross of Christ has repaired our relationship with God. As Pastor Trent explained in his sermon on Luke 23:44-56, every verse in the Bible before the cross points forward to the cross, and every verse in the Bible after the cross helps explain the implications of the cross. This study is designed to help us get a glimpse of how this is true. As you read, ask God to open your eyes to see the various aspects of the atonement. Consider the penalty that sin demands, then behold that Christ has paid our wage of eternal death by dying in our place as our substitute. Consider the power that sin has over us, then behold how Christ has freed us from slavery to sin through the redemption of our souls. Consider how sin warrants the wrath of God, then behold how Jesus propitiated God’s wrath on our behalf through His death. Consider the fatal wounds that sin has caused, then behold the expiatory death of Christ; for by His wounds we are healed. Then take a step back and behold how all of these things enable sinful man to be reconciled to our holy God. We pray that this study will help you hold fast to your great salvation, we pray that it will help you run the race with perseverance, and we pray that it will help you trust Christ; for He is worthy.

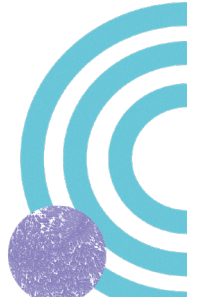

THE FORMAT IS SIMPLE:

We are still going to provide a passage to read and a verse to meditate on for each day. But instead of providing a discussion question and a prayer that is specific to each reading, we will provide a general question and structure for prayer that will apply to each passage throughout the week. We hope that the questions we have provided in the past have helped you and your families grow in your ability to read your Bible. And we hope that the prayers have served as a good model for you regarding how to pray through your Bible. But now it is time for you to take the reigns! Think of your own discussion questions and then pray through what you have meditated on. And we are excited to continue to read and meditate and discuss and pray alongside you as we seek our Lord together.
