

DAILY DISCIPLESHIP GUIDE

“THE GRASS WITHERS, THE FLOWER FADES,
BUT THE WORD OF OUR GOD WILL STAND FOREVER.”

ISAIAH 40:8

THIS READING PLAN IS FOR YOU!

Hey Gospel City, this week we are going to look at some of the patterns between creation and the new creation. The purpose of this study is to see how God's work in the physical creation helps illuminate the spiritual work that God is doing in recreation. With that said, Genesis 1 reveals how God created the heavens and the earth, Genesis 2 reveals how God created man, and Genesis 3 records how Adam's sin corrupted all of it. Ever since the Fall creation has groaned and longed to be redeemed, to be re-created, and to have all things be made right. And in God's infinite grace He has made a way for sin's penalty to be paid in full, for sin's power to be overcome, and for all things to be made new through the cross of Christ. Jesus did not just come to save His people from sin, He came to save His people for eternal life in a newly created body in a newly created world. Just like Adam's sin impacted the physical world, Christ's work on the cross made a way for the physical world to be redeemed. Therefore, as you read each passage this week consider the biblical patterns between creation and re-creation. Consider how God created a world through His Word, and compare that to how He is recreating His people through the Word of Christ. Consider how the image of God has been marred in man, and compare that to how the new man is being conformed into the image of Christ. Consider how creation started with the world and ended with man, and compare that to how the new creation has started with the new man, and will climax with Christ ushering in the new heavens and the new earth. And consider how Jesus is at the center of all of it. For everything is made by Him, through Him, and for Him. We pray that this study will help you see that your salvation is so much more than Hell insurance. We pray that you will come away marveling at how your salvation fits into God's overarching plan for the redemption of creation.

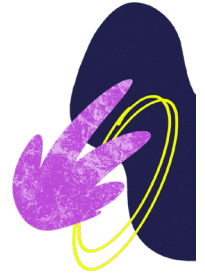

THE FORMAT IS SIMPLE:

We are still going to provide a passage to read and a verse to meditate on for each day. But instead of providing a discussion question and a prayer that is specific to each reading, we will provide a general question and structure for prayer that will apply to each passage throughout the week. We hope that the questions we have provided in the past have helped you and your families grow in your ability to read your Bible. And we hope that the prayers have served as a good model for you regarding how to pray through your Bible. But now it is time for you to take the reigns! Think of your own discussion questions and then pray through what you have meditated on. And we are excited to continue to read and meditate and discuss and pray alongside you as we seek our Lord together.
