

## 2021 THURSDAY MORNING CHILDCARE POLICY

*In Gospel City Women's Discipleship we are thrilled to see God work in lives and cultivate relationships that allow women to grow together and closer to Christ! We are grateful to partner with the Children's Discipleship at Gospel City to offer childcare and programming on Thursday Mornings. Our Children's Discipleship Team does an excellent job of offering high quality care that also points your little one to Jesus.*

Please read over the following policies and bring your signed copy to each Mom's Morning. (We will have them available if you don't have a printer...or forget.)

### **CHILDCARE OVERVIEW**

**Infants - New Walkers** If your child is an infant or a new walker, your group will be meeting in our Nursing Mom's room or in the Infants Nursery. This will allow you to care for your child and connect with other moms.

**Toddlers - Preschool** We will offer childcare workers to provide care and fun for your preschool aged children based on our Gospel City Kids guidelines and standards. Please make sure you RSVP by the Sunday prior so we can have enough help!

**Elementary Age** For those of you who have kids at home either e-learning or homeschooling, we will have a space for your child to set up and work on school work. We will provide supervision, a little activity and some fun thrown in too! Please make sure your child brings enough work to keep him or her busy.

### **RSVP**

Letting us know you are coming and how many kids will be attending is very helpful for our staff and volunteers. It ensures your child is cared for, and in turn ensures that you get to fully participate in your group. Please make every effort to RSVP by the Sunday before Moms Mornings so we can prepare for you.

### **Illnesses**

Our Gospel City Kids Policy is that if your child has been running a fever, vomited or had diarrhea in the last **48 hours** that child cannot be placed in a classroom. If your child has any colorful phlegm or mucus (green, yellow, brown) it must be clear for at least **24 hours** before being placed in a classroom.

This policy is for the health and safety of your child and all the children that we care for.

### **COVID-19 Guidelines**

Gospel City Kids guidelines for the safety of your child will be used in regard to the COVID-19 protocols put into place. Please look over the precautions we are taking to keep everyone healthy [Gospel City COVID Page](#).

### **Pick Up**

Please be mindful that pick up is at 11:15 AM. We ask that you respect this time and retrieve your child promptly. You can pick up your child and then continue to fellowship, but please make every effort to pick up on time.
