

## GROUP QUESTIONS

### STARTER QUESTION

1. Pastor Micah mentioned “Seeking Him” as a transformational study for him. What is one book or podcast that’s helped you transform into Christlikeness? What would you recommend for the others in our group/church?

### OUR WALK SHOULD REFLECT OUR WEALTH IN CHRIST (4:1)

1. Consider Ephesians 1-3. What is the calling to which we have been called? Think back to the sermons through Ephesians up to this point. Which aspect of our calling has stood out to you?
2. Right doctrine (i.e. the foundation) must inform right living (i.e. our house). What happens when one of these is missing? Are you the kind of person that focuses more on right doctrine, or right living? What are the dangers of emphasizing one over the other?

### OUR WALK WITH CHRIST IMITATES CHRIST FOR THE SAKE OF UNITY IN CHRIST (4:2-3)

1. Consider the characteristics of humility, gentleness, patience, and love. Share examples from Scripture of how Jesus demonstrated these characteristics.
2. Of these 4 characteristics, which one do you need to grow the most and why? How can meditating on the truths of Ephesians 1-3 help someone grow in these characteristics?

### OUR UNIFIED WALK IS A CAUSE OF ONE GOSPEL CONFSSION (4:4-6)

1. Our culture today puts a high value on the individual, but Paul proclaims the importance of participating in the unified body of believers. One body, one Spirit, one hope, one Lord, one faith, one baptism and one God. Put in your words your responsibilities to the others in our church?
2. **Pray through the prompts with your group.**
